Lois Lowry once again creates a mysterious but plausible future world. It is a society ruled by savagery and deceit that shuns and discards the weak. Left orphaned and physically flawed, young Kira faces a frightening, uncertain future. Blessed with an almost magical talent that keeps her alive, she struggles with ever broadening responsibilities in her quest for truth, discovering things that will change her life forever. As she did in THE GIVER, Lowry challenges readers to imagine what our world could become, how people could evolve, and what could be considered valuable. Every reader will be taken by Kira's plight and will long ponder her haunting world and the hope for the future.

A Newbery Honor Book that the New York Times called "an eerie delight," The Wish Giver is an engaging literary folk story about those who get what they wish for—whether they want it or not. The people of Coven Tree are no strangers to magic. In fact, the town's very name comes from a gnarled old tree where covens of witches used to gather. Even now, imps and fiends continue to appear, frightening the townsfolk with their devilish pranks. Usually these creatures are easy to spot. They have a particular smell, or sound, or way of moving, that betrays their dark nature. But Thaddeus Blinn showed none of these signs when he came to Coven Tree. He was just a funny little man who drifted into town with a strange tale about being able to give people whatever they wished—for only fifty cents. There was nothing scary about him. At least, not until the wishing began...

#1 NEW YORK TIMES BESTSELLER A REESE WITHERSPOON X HELLO SUNSHINE BOOK CLUB PICK USA Today's top 100 books to read while stuck at home social distancing "I've been a huge Jojo Moyes fan. Her characters are so compelling. . . . It's such a great narrative about personal strength and really captures how books bring communities together." --Reese Witherspoon From the author of *Me Before You*, set in Depression-era America, a breathtaking story of five extraordinary women and their remarkable journey through the mountains of Kentucky and beyond Alice Wright marries handsome American Bennett Van Cleve, hoping to escape her stifling life in England. But small-town Kentucky quickly proves equally claustrophobic, especially living alongside her overbearing father-in-law. So when a call goes out for a team of women to deliver books as part of Eleanor Roosevelt's new traveling library, Alice signs on enthusiastically. The leader, and soon Alice's greatest ally, is Margery, a smart-talking, self-sufficient woman who's never asked a man's permission for anything. They will be joined by three other singular women who become known as the Packhorse Librarians of Kentucky. What happens to them--and to the men they love--becomes an unforgettable drama of loyalty, justice, humanity, and passion. These heroic women refuse to be cowed by men or by convention. And though they face all kinds of dangers in a landscape that is at times breathtakingly beautiful, at others brutal, they're committed to their job: bringing books to people who have never had any, arming them with facts that will change their lives. Based on a true story rooted in America's past, *The Giver of Stars* is unparalleled in its scope and epic in its storytelling. Funny, heartbreaking, enthralling, it is destined to become a modern classic--a richly rewarding novel of women's friendship, of true love, and of what happens when we reach beyond our grasp for the great beyond. HOW HAD MRS. OLINSKI CHOSEN her sixth-grade Academic Bowl team? She had a number of answers. But were any of them true? How had she really chosen Noah and Nadia and Ethan and Julian? And why did they make such a good team? It was a surprise to a lot of people when Mrs. Olinski's team won the sixth-grade Academic Bowl contest at Epiphany Middle School. It was an even bigger surprise when they beat the seventh grade and the eighth grade, too. And when they went on to even greater victories, everyone began to ask: How did it happen? It happened at least partly because Noah had been the best man (quite by accident) at the wedding of Ethan's grandmother and Nadia's grandfather. It happened because Nadia discovered that she could not let a lot of baby turtles die. It happened when Ethan could not let Julian face disaster alone. And it happened because Julian valued something important in himself and saw in the other three something he also valued. Mrs. Olinski, returning to teaching after having been injured in an automobile accident, found that her Academic Bowl team became her answer to finding confidence and success. What she did not know, at least at first, was that her team knew more than she did the answer to why they had been chosen. This is a tale about a team, a class, a school, a series of contests and, set in the midst of this, four jewel-like short stories -- one for each of the team members -- that ask questions and demonstrate surprising answers.

Find the revolutionary path to success in the ultimate human challenge: truly loving other people. In this groundbreaking new book, #1 New York Times bestselling author Dr. Les Parrott weaves together insights from theology, psychology, and sociology to show ordinary believers how to radically change their relationships. Psychologist and relationship expert Dr. Les Parrott provides a revolutionary path to success in the ultimate human challenge: truly loving other people. Let's be honest. How many times have you fallen short at being a good friend, a wise parent, or a self-giving spouse because you didn't love--truly love--at the highest level? It's tough. We're bound to fail. The bar is so high, especially if you aspire to love like Jesus. But it's not impossible. In *Love Like Jesus*, Dr. Parrott takes the latest findings from sociology and psychology and blends them with biblical understanding to reveal practical and often counter-intuitive ways of loving like never before. He breaks them down into five factors--being mindful, being approachable, being a grace-giver, being vulnerable, and being empathetic--and shows how to practice them in daily life. The result will be deeply fulfilling and meaningful connections with nearly anyone you encounter--but especially in the relationships that matter most.
