Now many strange people are interested in Max and his tapestry. His discovery will lead him to Rowan Academy, a secret school where great things await- fantastic creatures, rigorous training, and his very own observatory within a mansion by the sea. But dark things are waiting, too. To survive, he'll have to rely on a shadowy network of agents and mystics, the genius of his roommate, and the frightening power awakening within him. In his debut novel, author-illustrator Henry H. counter the formidable armies of the demon Prusias and relies on the untested powers of Mina to outmaneuver deadly assassins.

An inventive and action-packed mix of fantasy, science fiction, and mythology, all in a realistic contemporary setting. Rowan has won a battle, but not the war. With proper allies, Rowan's armies could storm the demon stronghold, capture its ruler, and end the reign of demonkind. But while nations clash, a greater struggle lies elsewhere. In his desperate pursuit of Astaroth, Elias Bram scours the world for clues to the fiend's true origins, identity, and purpose. His horrifying discoveries hint that not only is humanity at risk, but the earth itself. Its fate may depend upon three children. With their unmatched skills, it's up to Max McDaniels, David Menlo, and little Mina to tip the balance! In the Tapestry's final volume, Henry H. Neff concludes an unforgettable series in which magic can live, gods can die, and the highest stakes require the greatest sacrifice.

Twelve-year-old Max and his allies risk much as they seek to acquire the Book of Origins, an artifact of unimaginable power, in hopes of halting the ancient evil that is bringing the world to its knees.

A 2018 TEXAS LONE STAR READING LIST PICK! "A rare jewel. A new classic in the fantasy genre." –Eoin Colfer, author of the bestselling Artemis Fowl series Henry H. Neff's new high-stakes middle grade fantasy follows two unlikely allies as they confront a conspiracy that will shake the world of Impyrium to its core. For over three thousand years, the Faeregine dynasty has ruled Impyrium. But the family's magic has been fading, and with it their power over the empire. Whether it's treachery from a rival house, the demon Lirlanders, or rebel forces, many believe the Faeregines are ripe to fall. Hazel, the youngest member of the royal family, is happy to leave ruling to her sisters so that she can study her magic. But the empress has other plans for her granddaughter, dark and dangerous plans to exploit Hazel's talents and rekindle the Faeregine mystique. Hob, a commoner from the remote provinces, has been sent to the city to serve the Faeregines—and to spy on them. One wants to protect the dynasty. The other wants to destroy it. But when Hazel and Hob form an improbable friendship, their bond may save the realm as they know it...or end it for good.
