Little Book of Valuation. This web site is designed to support "The Little Book of Valuation". The publisher is John Wiley and Sons. Since it is one of four books that I have on valuation, it behooves me to explain how this book is different from my rest and I attempt to do so here. Once you have got that out of the way, you can get a quick review of the tools that make up the valuation toolkit and then move on to valuation inputs and mechanics.

Little Book of Valuation - New York University

valuation described in this book attempt to relate value to the level and expected growth in these cashflows. There are many areas in valuation where there is room for disagreement, including how to estimate true value and how long it will take for prices to adjust to true value. But there is one point on which there can be no disagreement.
