*The World of Normal Boys* is the coming of age story of Robin, a 13 year old boy growing up in a New Jersey suburb. He finds himself struggling to fit into the world of normal boys. PE class, sports, normal rough housing that boys do, talking about girls. It just doesn't feel right to him. How is he suppose to fit into that world.

*The World of Normal Boys* by K.M. Soehnlein

Falling into a fevered triangle with two other outcasts, Todd Spicer and Scott Schatz, Robin embarks on an explosive odyssey of sexual self-discovery that will take him beyond the spring-green lawns of suburbia, beyond the fraying fabric barely holding together his quickly unraveling family, and into a complex future, beyond the world of normal boys.

*The World of Normal Boys* - Kindle edition by Soehnlein, K ...

*The World of Normal Boys*, published in 2001, is the debut novel of K.M. Soehnlein (Karl Soehnlein). The coming-of-age story centers on 13-year-old Robin MacKenzie, who discovers that he is unlike most other adolescent males. The book became a *San Francisco Chronicle* bestseller and won the Lambda Literary Award.

*The World of Normal Boys* - Wikipedia

*The World of Normal Boys*, a novel by K.M. Soehnlein. While other teenagers are coming of age, thirteen-year-old Robin MacKenzie is coming undone--coping with a family tragedy and his own budding sexuality. Called 'eloquent' and 'passionate' by Edmund White. Available in hardcover, September 2000 from Kensington Books.

*The World of Normal Boys: A Novel* by K.M. Soehnlein

In *The World Of Normal Boys*, K.M. Soehnlein has created a dazzling gem of a debut novel in the tradition of *Ordinary People* and *A Boy's Own Story*, one that sparkles with raw honesty, poetic beauty, wry insight, and a rare richness of emotion that reverberates long after the last page is read. It is a story about growing up and falling apart, of rebellion and acceptance, of unspoken lives and irreversible choices that are made.

*The World Of Normal Boys* | IndieBound.org

THE WORLD OF NORMAL BOYS is the story of a family that falls apart when a tragic accident befalls the youngest child. The story is seen through the eyes of the victim's 13-year-old brother as he tries to find something to hold on to while his mother drifts into alcoholism, his father goes nuts, his sister becomes a religious fanatic (and a ...

The World of Normal Boys Series by K.M. Soehnlein

I grew up in northern New Jersey, in a suburban town a lot like Greenlawn (which doesn't mean, in case you're wondering, that "The World of Normal Boys" is a "true story"). In one way or another I've always written fiction, going all the way back to when I hid out in my bedroom and made up stories of boys who were very much like me, except for the fact that their lives were exciting.

The World of Normal Boys : About the Author

In The World Of Normal Boys, K.M. Soehnlein has created a dazzling gem of a debut novel in the tradition of Ordinary People and A Boy's Own Story, one that sparkles with raw honesty, poetic beauty, wry insight, and a rare richness of emotion that reverberates long after the last page is read. Living in suburban New Jersey in the 1970s is quiet for Robin until his brother is killed in an accident, causing the relationship with his family to deteriorate as he rebels against his middle-American lifestyle.

Originally published under the assumed name of John Reid, the best-selling account of growing up homosexual in a uniformly heterosexual world is republished to coincide with its new sequel, The Best Little Boy in the World Grows Up. Reissue.

David Piper has always been an outsider. His parents think he's gay. The school bully thinks he's a freak. Only his two best friends know the real truth: David wants to be a girl. On the first day at his new school Leo Denton has one goal: to be invisible. Attracting the attention of the most beautiful girl in his class is definitely not part of that plan. When Leo stands up for David in a fight, an unlikely friendship forms. But things are about to get messy. Because at Eden Park School secrets have a funny habit of not staying secret for long, and soon everyone knows that Leo used to be a girl. As David prepares to come out to his family and transition into life as a girl and Leo wrestles with figuring out how to deal with people who try to define him through his history, they find in each other the friendship and support they need to navigate life as transgender teens as well as the courage to decide for themselves what normal really means.

At twenty-years-old, Robin MacKenzie is waiting for his life to start. Waiting until his summer working at a Philly restaurant is over and he's back with his boyfriend Peter. . .until the spring semester when he'll travel to London for an acting program. . .until the moment when the confidence he fakes starts to feel real. "Engaging. . .capturing intimately the mood of the period." – Publishers Weekly Then, one hot June weekend, Robin gets dumped by his boyfriend and quickly hits the road with his best friend George to find his teenaged sister, Ruby, who's vanished from a party at the Jersey Shore. "A fresh, eloquent perspective to the oft-writ story of sexual and romantic coming of age." – Book Marks But Ruby is on an adventure of her own, dressing in black, declaring herself an atheist, pulling away from the boyfriend she doesn't love--not the way she loves the bands whose fractured songs are the soundtrack to her life. Then a chance encounter puts Ruby in pursuit of a seductive but troubled boy who might be the key to her happiness, or a disaster waiting to happen. Now as their paths converge, Ruby and Robin will confront the sadness of their shared past and rebuild the bonds that still run deep. . . "Lush. . .bittersweet. . .two characters who gleefully leap off the page." – Bay Area Reporter

NOW AN EMMY-NOMINATED HULU ORIGINAL SERIES • NEW YORK TIMES BESTSELLER • “ A stunning novel about the transformative power of relationships ” (People) from the author of Conversations with Friends, “ a master of the literary page-turner ” (J. Courtney Sullivan). ONE OF THE TEN BEST NOVELS OF THE DECADE—Entertainment Weekly TEN BEST BOOKS OF THE YEAR—People, Slate, The New York Public Library, Harvard Crimson AND BEST BOOKS OF THE YEAR—The New York Times, The New York Times Book Review, O: The Oprah Magazine, Time, NPR, The Washington Post, Vogue, Esquire, Glamour, Elle, Marie Claire, Vox, The Paris Review, Good Housekeeping, Town & Country Connell and Marianne grew up in the same small town, but the similarities end there. At school, Connell is popular and well liked, while Marianne is a loner. But when the two strike up a conversation—awkward but electrifying—something life changing begins. A year later, they ’ re both studying at Trinity College in Dublin. Marianne has found her feet in a new social world while Connell hangs at the sidelines, shy and uncertain. Throughout their years at university, Marianne and Connell circle one another, straying toward other people and possibilities but always magnetically, irresistibly drawn back together. And as she veers into self-destruction and he begins to search for meaning elsewhere, each must confront how far they are willing to go to save the other. Normal People is the story of mutual fascination, friendship and love. It takes us from that first conversation to the years beyond, in the company of two people who try to stay apart but find that they can ’ t. Praise for Normal People “ [A] novel that demands to be read compulsively, in one sitting. ” —The Washington Post “ Arguably the buzziest novel of the season, Sally Rooney ’ s elegant sophomore effort . . . is a worthy successor to Conversations with Friends. Here, again, she unflinchingly explores class dynamics and young love with wit and nuance. ” —The Wall Street Journal “ [Rooney] has been hailed as the first great millennial novelist for her stories of love and late capitalism. . . . [She writes] some of the best dialogue I ’ ve read. ” —The New Yorker

Acclaimed authors reflect on what it ’ s like to be gay and young, to be different, and to be aware of that difference from an early age. More than an anthology of coming out stories, From Boys to Men is a stunning collection of essays about what it is like to be gay and young, to be different and be aware of that difference from the earliest of ages. In these memoirs, coming out is less important than coming of age and coming to the realization that young gay people experience the world in ways quite unlike straight boys. Whether it is a fascination with soap opera, an intense sensitivity to their own difference, or an obsession with a certain part of the male anatomy, gay kids—or kids who would eventually identify as gay—have an indefinable but unmistakable gay sensibility. Sometimes the result is funny, sometimes it is harrowing, and often it is deeply moving. Essays by lauded writers like Alexander Chee (Edinburgh), Aaron Hamburger (Faith for Beginners), K. M. Soehnlein (The World of Normal Boys), Trebor Healey (Through It Came Bright Colors), Tom Dolby (The Trouble Boy), David Bahr, and Austin Bunn, are collected along with work from Michael McAllister, Jason Tougaw, Viet Dinh, and the popular blogger, Joe Jervis.

A trans boy determined to prove his gender to his traditional Latinx family summons a ghost who refuses to leave in Aiden Thomas's New York Times-bestselling paranormal YA debut Cemetery Boys, described by Entertainment Weekly as "groundbreaking." Yadriel has summoned a ghost, and now he can't get rid of him. When his traditional Latinx family has problems accepting his true gender, Yadriel becomes determined to prove himself a real brujo. With the help of his cousin and best friend Maritza, he performs the ritual himself, and then sets out to find the ghost of his murdered cousin and set it free. However, the ghost he summons is actually Julian Diaz, the school's resident bad boy, and Julian is not about to go quietly into death. He's determined to find out what happened and tie off some loose ends before he leaves. Left with no choice, Yadriel agrees to help Julian, so that they can both get what they want. But the longer Yadriel spends with Julian, the less he wants to let him leave. Praise for Cemetery Boys: Longlisted for the National Book Award "The novel perfectly balances the vibrant, energetic Latinx culture while delving into heavy topics like LGBTQ+ acceptance, deportation, colonization, and racism within authoritative establishments." —TeenVogue.com "This stunning debut novel from Thomas is detailed, heart-rending, and immensely romantic. I was bawling by the end of it, but not from sadness: I just felt so incredibly happy that this queer Latinx adventure will get to be read by other kids. Cemetery Boys is necessary: for trans kids, for queer kids, for those in the Latinx community who need to see themselves on the page. Don ’ t miss this book." —Mark Oshiro, author of Anger is a Gift

This is the story of Paul, a sophomore at a high school like no other: The cheerleaders ride Harleys, the homecoming queen used to be a guy named Daryl (she now prefers Infinite Darlene and is also the star quarterback), and the gay-straight alliance was formed to help the straight kids learn how to dance. When Paul meets Noah, he thinks he ’ s found the one his heart is made for. Until he blows it. The school bookie says the odds are 12-to-1 against him getting Noah back, but Paul ’ s not giving up without playing his love really loud. His best friend Joni might be drifting away, his other best friend Tony might be dealing with ultra-religious parents, and his ex-boyfriend Kyle might not be going away anytime soon, but sometimes everything needs to fall apart before it can really fit together right. This is a happy-meaningful romantic comedy about finding love, losing love, and doing what it takes to get love back in a crazy-wonderful world.

“ Wednesdays were pretty normal, ” writes Michael Kelley, looking for a bright spot amidst the chemotherapy routine brought on by his two-year-old son Joshua ’ s cancer diagnosis. His book of the same name offers much to anyone who ’ s tired of prescriptive spirituality and would rather acknowledge and work through the difficulties of faith with some transparency. Joshua battled and beat the disease, but not before his family had to reconcile what it means to believe in God despite a broken world. His dad ’ s personal account of that fight to survive sparks a larger discussion of how Christians must learn to walk in the light of Christ ’ s promises despite the dark shadows of earthly pain. Indeed, it ’ s pain that sometimes opens the door to a deeper experience with Jesus, an authentic relationship that holds steady even when life loses the comfort of normalcy.
