Tony Ryder and Jim Cank met when they started working together in their day job, they were both unaware that each had spiritual gifts until fate (or spirit) stepped in. While working together one day, Tony saw Jim's palm and on reading it, Jim decided to join Tony's development circle at Tony's invitation. Working with their Native American guides they have since gone on to work together in ...

Subpar's Colt Knost and Drew Stoltz are joined by Paul 'Biznasty' Bissonnette who explains how he became known as a sandbagger on the golf course.

Many of us want to learn “ how to draw. ” But as artist Anthony Ryder explains, it ' s much more important to learn what to draw. In other words, to observe and draw what we actually see, rather than what we think we see. When it comes to drawing the human figure, this means letting go of learned ideas and expectation of what the figure should look like. It means carefully observing the interplay of form and light, shape and line, that combine to create the actual appearance of human form. In *The Artist ' s Complete Guide to Figure Drawing*, amateur and experienced artists alike are guided toward this new way of seeing and drawing the figure with a three-step drawing method. The book ' s progressive course starts with the block-in, an exercise in seeing and establishing the figure ' s shape. It then build to the contour, a refined line drawing that represents the figure ' s silhouette. The last step is tonal work on the inside of the contour, when light and shadow are shaped to create the illusion of form. Separate chapters explore topics critical to the method: gesture, which expresses a sense of living energy to the figure; light, which largely determines how we see the model; and form, which conveys the figure ' s volume and mass. Examples, step-by-steps, and special “ tips ” offer helpful hints and practical guidance throughout. Lavishly illustrated with the author ' s stunning artwork, *The Artist ' s Complete Guide to Figure Drawing* combines solid instruction with thoughtful meditations on the art of drawing, to both instruct and inspire artists of all levels.

Demonstrates a three-step drawing method exploring outline, contour, and the capture of light, volume, and mass

From USA Today Bestselling Author Kallypso Masters comes a new series based on the Rescue Me Saga world. In the Raging Fire Series, Angelina ' s four firefighter brothers will experience tragedy on duty and resurgence from a life-defining past heartache. Tony Giardino, the youngest brother, has always been the clown in the family, but when faced with his first devastating call, nothing seems to matter anymore. He is falling hard, then looks up to see Carmella D ' Alessio, Marc ' s baby sister. Carmella, as quiet and unmovable as the mountains surrounding her family ' s Aspen resort, finds herself believing that life and love are passing her by after seeing Marc and Angelina ' s wedded bliss. But she ' ll have to take time away from the resort if she ' s going reassess her priorities. Carmella and Tony haven ' t always seen eye to eye, but circumstances make them take a second look during a raw moment. She ' s no stranger to dealing with trauma and stress and recognizes that Tony ' s hurting. Can Carmella ' s steadfast, quiet strength force Tony to dive deeper and face his vulnerabilities as he learns to cope with the aftermath of his first tragic call? Will Carmella admit she ' s ready for more, and will Tony believe he has more to offer?

In their early years, the Texas Rangers protected the settlers from Mexicans and Indians along the river. As time passed, the Rangers became lawmen, protecting Texas after the Civil War. Now, times are changing and the Rangers must change with them. These men are known as the new breed. In this fourth book in the Ranger Winds Series by author E. Richard Womack, the Rangers still mourn the death of Ranger Captain Laughlin McFarland, a legend and the fastest gun in Texas. Captain Jones has been selected to replace McFarland, Dusty McFarland and Boots Law have become Ranger Captains in Uvalde and Abilene respectively, and Ryder McCoy has been assigned to establish a new station in Fort Worth. Newfangled inventions, such as one of the first horseless carriages in Texas, keep the men on their toes—as do a gang of highwaymen and the Pinkerton detective sent to catch them. Although new forensics and techniques have made detection procedures more efficient and simple, there's still plenty to keep the Rangers busy as murder, robberies, rustling, and general mayhem still plague the West as they rush headlong into the twentieth century.

A collection of the first five novels in the Sherbrooke Series by #1 New York Times bestselling author Catherine Coulter. • *The Sherbrooke Bride* • *The Hellion Bride* • *The Heiress Bride* • *Mad Jack* • *The Courtship*

Tony Jacklin rescued the Ryder Cup from oblivion. Following years of American domination, interest in the event nosedived in the 1970s. It was Tony's appointment as captain of Europe in 1983 that helped resuscitate the matches and launch the remarkable transformation of a competition that is now one of the biggest showpiece occasions in the world of sport. This book takes us on a journey through Tony's Ryder Cup career, his seven matches as a player and his four as captain. It details his friendships with some of the game's greats like Seve Ballesteros, Jack Nicklaus and Arnold Palmer but also chronicles the times when he hit rock bottom - the sudden and unexpected death of his first wife, his own recent struggles with ill health, the year he lost everything financially and his affair with a sixteen-year-old that was splashed on the front page of a tabloid newspaper.

The first book in Catherine Coulter's beloved Bride series. Douglas Sherbrooke, Earl of Northcliffe, marries the wrong woman-only to find himself haunted by a bride of an entirely different kind.

Isabelle Smith isn't surprised—or insulted—that her new boss, Texas tycoon Tony Ryder, doesn't remember her. Their night of passion was so long ago.... And when he takes over her company, she vows to stay only as long as he never uncovers the truth. But then he does. The man who always gets his way makes her an offer she can't refuse. Still, Isabelle won't mix business and pleasure without a wedding ring—and Tony isn't a marrying man. Which means they're both in for the most passionate negotiation of their lives!

For as long as he can remember, Dusty McFarland has wanted to become a Texas Ranger, to follow in the footsteps of his father, Ranger Captain Laughlin McFarland. Now that he's turned eighteen, Dusty achieves that goal and, with his mother's blessings, is sworn in as a ranger. His father reminds him that his duties are to love the great state of Texas and to protect her with his life. Dusty understands the dangers and knows that each gunfight could be his last. From the moment Dusty receives his star, he and his father do their best to uphold the law by tracking criminals and bringing them to justice. Their adventures include finding Dusty's blood brother, Tony, and trying to clear him of rustling and murder charges. They meet up with T-Bone, a dimwitted giant of a man who is teamed with the ruthless Billy Driskell. They hunt now El Diablo, a psychotic loner who kills and rapes for pleasure. The third novel in a trilogy celebrating the tradition and legacy of the Texas Rangers, *Ranger Winds: The Last Ride* shows how the Rangers lived a life with demands that only a few good men could meet.

This book explores the changing representation of the couple, focusing on themes of marriage, equality and desire. Kathrina Glitre moves beyond the usual screwball territory to consider cycles of production from 1934-65. The central concern with the representation of the couple is distinctive and includes discussion of three star couples: Myrna Loy and William Powell, Katharine Hepburn and Spencer Tracy, and Doris Day and Rock Hudson. Glitre offers explanations of genre, as well as detailed analysis of screwball comedy, career woman comedy and sex comedy. Each cycle is placed into context to analyse cultural discourses around heterosexuality, gender, romance and love. This structure also enables a more sophisticated understanding of such conventions as masquerade, gender inversion and the happy ending. The book will appeal to university students and academics working on genre, gender, culture and representation, and anyone with a keen interest in Hollywood romantic comedy.
