"The powerful and inspiring story of an all-American wrestler who defied the odds. Anthony Robles is a three-time all-American wrestler, the 2011 NCAA National Wrestling Champion, and a Nike-sponsored athlete. He was also born without his right leg. Doctors could not explain to his mother, Judy, what led to the birth defect, but at the age of five, the one-legged toddler scaled a six-foot pole unassisted. From that moment on, Judy knew without a doubt that her son would be unstoppable. When Anthony first began wrestling in high school, he was the smallest kid on the team and finished the year in last place. Yet Anthony's family and coaches supported his decision to continue, and he completed his junior and senior years with a 96-0 record to become a two-time Arizona State champion. In college, Anthony had to prove all over again that he could excel. Despite hardships on and off the mat--including the temptation to quit school and get a job to help his family when they lost their home to foreclosure--Anthony focused his determination and became a champion once again. Since winning the national championship in March 2011, Anthony has become a nationally recognized role model to kids

and adults alike. But Unstoppable is not just an exciting sports memoir or an inspirational tale of living with a disability. It is also the story of one man whose spirit and unyielding resolve remind us all that we have the power to conquer adversity--in whatever form"--

Life in the twenty-first century is designed for comfort--just look around. We have upgrades for everything--airfare, tickets to the big game, and even our phones. But what's the real cost of comfort?

"Our job is to be there when things are bad." Matt Newman said this to financial planners on a daily basis as a wholesaler in the financial services industry. He constantly preached the need to plan in advance, to be prepared for the unexpected and inevitable. As a young man in his late thirties, he lived a healthy lifestyle, had a beautiful family, and a successful career. He practiced what he preached, and made sure he had a financial plan in place for his family. Everything seemed to be going in the right direction: Life was about to change drastically. After he began experiencing horrible headaches, insomnia, and strange speech issues, he realized something was very wrong. Four months into dealing with these issues, he finally went to the hospital; the doctors confirmed the worst; he had grade three astrocytoma. Matt was diagnosed with brain cancer at 39 years old. Luckily, he had someone to help him through every terrible moment. Matt's own father-in-law Larry had been diagnosed with pancreatic cancer three years earlier. The two men found support in each other and their combined family as they worked to find

normalcy in an abnormal situation. Matt's memoir chronicles the journey that his entire family and support group took together which got him to a place of clarity, understanding and appreciation.

Traces the tumultuous senior-year season shared by Iowa wrestlers Jay Borschel and Dan LeClere, who struggled through grueling workout schedules, social isolation, and starvation diets in their parallel quests to become four-time state champions. Reprint.

NEW YORK TIMES BESTSELLER Bill Belichick: "Julian is the epitome of competitiveness, toughness, and the great things that are possible when someone is determined to achieve their goals." Tom Brady: "It's a privilege for me to play with someone as special as Julian." The Super Bowl champion wide receiver for the New England Patriots shares his inspiring story of an underdog kid who was always doubted to becoming one of the most reliable and inspiring players in the NFL. When the Patriots were down 28-3 in Super Bowl LI, there was at least one player who refused to believe they would lose: Julian Edelman. And he said so. It wasn't only because of his belief in his teammates, led by the master of the comeback, his friend and quarterback Tom Brady-or the coaching

Staff run by the legendary Bill Belichick. It was also because he had been counted out in most of his life and career, and he had proved them all wrong. Whether it was in Pop Warner football, where his Redwood City, California, team won a national championship; in high school where he went from a 4'10", 95-pound freshman running back to quarterback for an undefeated Woodside High team; or college, where he rewrote records at Kent State as a dual-threat quarterback, Edelman far exceeded everyone's expectations. Everyone's expectations, that is, except his own and those of his father, who took extreme and unorthodox measures to drive Edelman to quiet the doubters with ferocious competitiveness. When he was drafted by the Patriots in the seventh round, the 5'10" college quarterback was asked to field punts and play wide receiver, though he'd never done either. But gradually, under the tutelage of a demanding coaching staff and countless hours of off-season training with Tom Brady, he became one of the NFL's most dynamic punt returners and top receivers who can deliver in the biggest games. Relentless is the story of Edelman's rise, and the continuing dominance of the Patriot dynasty, filled with memories of growing up with a father who was as demanding as any NFL coach, his near-constant fight to keep his intensity and competitiveness in check in high school and college, and his celebrated nine seasons with the Patriots. Julian shares insights into his relationships and rivalries, and his friendships with teammates such as Tom Brady, Wes Welker, Matt Slater, and Randy Moss. Finally, he reveals the story behind "the catch" and life on the inside of a team for the ages. Inspiring,

honest, and unapologetic, Relentless proves that the heart of a champion can never be measured.

The impeccably researched, deeply moving, never-before-told tale about a World War II incarceration camp in Wyoming and its extraordinary high school football team—for fans of *The Boys in the Boat* and *The Storm on Our Shores*. In the spring of 1942, the United States government forced 120,000 Japanese Americans from their homes in California, Oregon, Washington, and Arizona and sent them to incarceration camps across the West. Nearly 14,000 of them landed on the outskirts of Cody, Wyoming, at the base of Heart Mountain. Behind barbed wire fences, they faced racism, cruelty, and frozen winters. Trying to recreate comforts from home, many established Buddhist temples and sumo wrestling pits. Kabuki performances drew hundreds of spectators—yet there was little hope. That is, until the fall of 1943, when the camp's high school football team, the Eagles, started its first season and finished it undefeated, crushing the competition from nearby, predominantly white high schools. Amid all this excitement, American politics continued to disrupt their lives as the federal government drafted men from the camps for the front lines—including some of the Eagles. As the team's second season kicked off, the young men faced a choice to either join the Army or resist the draft. Teammates were divided, and some were jailed for their decisions. The Eagles of Heart Mountain honors the resilience of extraordinary heroes and the power of sports in a sweeping and inspirational portrait of one of the darkest moments in American history.

"[Freeman is] an excellent storyteller." —Sports Illustrated

The 1972 Miami Dolphins, under the expert leadership of legendary coach Don Shula, remain to this day the only team in the National Football League ever to enjoy a perfect season with no defeats and no ties. Now, 40 years after sports history was made, acclaimed sports writer Mike Freeman celebrates the Dolphins' singular achievement in *Undefeated*. A riveting story filled with heartbreaking injuries, miraculous finishes, and tested relationships—featuring a roster of gridiron greats, including Bob Griese, Earl Morrall, Larry Csonka, Paul Warfield, Mercury Morris, Nick Buoniconti and others—*Undefeated* follows an underdog team on its remarkable run: 14 regular season victories, 2 postseason wins, and a Super Bowl championship. It is a book no football fan will want to miss.

Every spring, millions of Americans prepare to take part in one of the oddest, most obsessive, and most engrossing rituals in the sports pantheon: Rotisserie baseball, a fantasy game where armchair fans match wits by building their own teams. In 2004, Sam Walker, a sports columnist for the *Wall Street Journal*, decided to explore this phenomenon by talking his way into *Tout Wars*, a league reserved for the nation's top experts. The result is one of the most sheerly entertaining sports books in years and a matchless look into the heart and soul of our national pastime.
