An excellent carpet cleaner for the price. We used it on an old, heavily soiled living room carpet and the Vax did a fantastic job of cleaning it. All of the dirt and stains were removed and the carpet looked fantastic after it had dried. The instructions were straight forward and It took about 10 minutes to put the cleaner together.

The machine has a float in the dirty water tank that is designed to rise with the level of the water. However, if the machine is jolted, or there is a large amount of foam in the tank, the float may rise to the top. The rising float will block the suction and the machine will make a high pitched noise.

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

La série Montgomery Ink à Colorado Springs continue avec un couple qui se bat pour garder ce qu'il croyait avoir et pour atteindre ce dont il ignorait avoir besoin. Roxie Montgomery a rencontré son âme soeur quand elle s'y attendait le moins. Lorsqu'il l'a demandée en mariage, elle a cru que leur bonheur éternel ne faisait que commencer. Mais elle s'est rendu compte que les contes de fées étaient bien plus difficiles qu'elle ne le croyait. Après une douleur écrasante, elle a l'impression de ne plus connaître son mari, ou plutôt... de ne plus se connaître elle-même. Carter Marshall aime Roxie depuis le premier jour. Mais alors que le temps passe, la distance se creuse entre eux. Il ne sait pas comment lui montrer qu'il est toujours passionné, et honnêtement, il se demande si elle l'aime encore. Quand un accident vient tout bouleverser, ils vont devoir décider si leur relation peut survivre ou s'il vaut mieux tout recommencer. Si tant est que ce soit possible. Parfois, si l'on ne se bat pas pour un nouveau départ digne de ce nom, on risque de se laisser ronger par les résidus du passé, au risque de devenir la coquille vide de ce que l'on a été autrefois. Il faudra plus qu'une vague envie d'éternité pour que Roxie et Carter se retrouvent, mais comme le savent les Montgomery, quand on veut vraiment quelque chose, il faut être prêt à se battre.

'by the throat,' and holding on through the entire book."

--Irene Marshall, *Escape to Romance* Sex has never been so deadly for one of the undead . . . It's been twenty years since the vampire-mortal war known to the undead as "Hell" ended, but peace has been hard for Chicago's doyen, vampire Che Kincade. Beauty and power ensure that blood, sex, and money come easily, but compromises and concessions are hard for a half-breed undead warrior whose roots run centuries deep in violence. Still, he's managed at last to make peace bearable. A secret affair with his mortal counterpart, Chicago Mayor Deborah Dayton, ensures that their weekly meetings at city hall to discuss the vampire problems in the city are accompanied by wonderfully delicious clandestine sex. But Cade's house-of-cards peace tumbles when, just hours after their usual tryst, news comes that a high-profile murder has taken place in the city. Soon Cade's very private and ordered world unravels when he's wanted for murder. He goes on the run with no help but Red, a blood whore whose bed he's in when the call comes that the Chicago PD has a warrant for his arrest. The frame puts a whole new light on the murder, and Cade tries to make sense of it as he dodges the police, mob assassins, and the vampire hunters known as the Brothers of the Sun. But when the people Cade cares about keep dying, he has no choice but to return to that which he knows best--killing. Jaye Roycraft, a former big-city police officer in Wisconsin, has incorporated her police procedural knowledge into her stories of the undead, creating urban fantasies that twist together modern realism with history. Jaye, author of ten novels, has presented numerous workshops for writers both online and at conferences, has been a contest judge, and has been a featured panelist at Dragon*Con. Jaye recently moved from the frozen tundra and now lives in sunny Arizona.

A valuable resource for professionals working with pre-school children, or with older children lacking basic literacy skills, this book provides practical photocopiable activities to develop the early skills required for success with literacy. Includes: rhyming activities; alphabet activities; phonological awareness; writing and handwriting; and reading. Each section is structured so that children can build up their knowledge and skills. Developed within the classroom, these ideas and activities can be used with a range of children in whole class, group and individual situations both at home and in pre-school settings. Designed to help children showing early signs of dyslexia or a specific learning difficulty, these activities will also benefit older children who lack a foundation of early literacy skills. It is invaluable for teachers, learning support assistants, nursery workers, parents and carers.
