~~FREE! When I Grow Up Worksheet / Worksheet (teacher made)~~
Growing up is hard to do. The challenges that a child must deal with
throughout the life cycle are overwhelming. Children must deal with
physical, emotional and psychological changes as they grow. There is
no manual for growing up. In western society there are so many
options given to children that they often feel confused and lost.

Kids often read books and watch shows about detectives or spies who solve mysteries and want to do the same when they grow up.

Detectives and criminal investigators collect evidence and solve crimes. Many detectives and investigators work for the government (either at the local, state, or federal level), but there are also private detectives who work for individuals, attorneys, and businesses.
