? Sometimes the past really does come back to haunt you... Whispers is a thrilling saga of love, intrigue and history from ebook No.1 bestselling author of No One's Girl, Mothering Sunday and The Little Angel , Rosie Goodwin. Perfect for...

An emotional and heart-warming saga set in the Lancashire cotton mills from The Sunday Times bestseller Ruth Hamilton, perfect for fans of Catherine Cookson. "Very much the successor to Catherine Cookson. Her books are plot driven, they just rip along: laughs, weeps, love, they've got the lot, and they're quality writing as well" - Sarah Broadhurst on Radio Four. "I love this woman's ability to draw me into a story where I can relate to the time and events in most of her tales." -- ***** Reader review "Excellent. Could not put book down. Ruth Hamilton is a brilliant writer." -- ***** Reader review "This is one book I will be keeping on my bookshelf to read again..." -- ***** Reader review ***** WILL HER FORTUNE EVER CHANGE? 1940. Lancashire. Annie Byrne is born during one of the toughest winters ever remembered. It's a fitting start to a life which will turn out to be full of trials and hardships. When her father dies during the war, her mother Nancy - a spinner in a cotton mill - marries Eddie Higson: a nightmare of a man who delights in tormenting the young Annie with one secret evil after another. The years pass and Annie determines to fight the legacy of her childhood. Can she do this on her own and will her fortune ever change?

Immerse yourself in the first two novels of the Banished Saga, where romance, honor, a duty to family, and a desire to live a fulfilled life play out against the backdrop of turn-of-the century Boston and Montana. NO cliffhanger when read together. BANISHED LOVE (Banished Saga, Book One) I'm suffocating under the weight of others' expectations. If I have to sit through one more afternoon tea, listening to my simpering stepmother extoll the benefits of traditional roles for women, I fear I'll scream, "The world is changing. It's 1900!" I want more from life than she can imagine. If she knew of my interest in Gabriel, she'd have a fit of the vapors. She'd bemoan his humble beginnings and lack of wealth rather than recognize his integrity or his loyalty to his brothers. If she saw how he stares at me, as though I'm a puzzle he's trying to solve, she'd lock me in my room. He fascinates me, as no one has since that awful day. How can we surmount society's prejudices and allow our love to grow? RECLAIMED LOVE (Banished Saga, Book Two) Committed... To living a life she desires with the man she loves, Clarissa Sullivan continues to teach poor, immigrant children and to agitate for the vote for women as she awaits Gabriel's return to Boston. Will her stepmother leave her in peace or is her life about to change again in unforeseen ways? Convinced.... Clarissa is the woman he now wants to marry, Cameron Wright renews his pursuit of her. Charming, wealthy and well-bred, he is perceived as the ideal gentleman for a blacksmith's daughter. With Gabriel far from Boston and his return uncertain, why should Clarissa continue to reject Cameron? Devastated... After his banishment from Boston, Gabriel McLeod forges a new life in a remarkable city. Will the memories of the love he shared with Clarissa sustain him? Will Clarissa overcome deceit and treachery and reclaim her love? Novels in the Banished Saga: Love's First Flames (Banished Saga, Prequel, Book 0.5) Banished Love (Banished Saga, Book 1) Reclaimed Love(Banished Saga, Book 2) Undaunted Love, Part One (Banished Saga, Book 3) Undaunted Love, Part Two (Banished Saga, Book 3.5) Tenacious Love (Banished Saga, Book 4) Unrelenting Love (Banished Saga, Book 5) Escape to Love (Banished Saga, Book 6) Resilient Love (Banished Saga, Book 7)-- Fall 2017 With More to Come!

Lily Larsen has never been afraid of anything, yet the effects of the war are wearing her down. Her beautiful home in Cades Cove, Tennessee, lies deep in the Smoky Mountains. For decades, her family has farmed and lived peacefully, until the soldiers came and made every day a struggle to survive. Whether they wear gray or blue, the men in uniform arrive unexpectedly and take whatever they want. Not only do they steal food and livestock, but some believe they can help themselves to anything they desire. Lily now has something to fear. Caleb Henry is running from his own battles, bleeding and broken. He seeks refuge in the cove and literally runs into Lily. Because he's injured, she shows compassion and sneaks him into her cabin, trusting her folks to tend him. But there's more to Caleb than they see on the surface. His arrival changes their lives, and what happens going forward can never be undone.

If you like Dilly Court and Catherine Cookson, you'll love this emotional and powerful story of revenge and retribution from the Sunday Times bestselling author Ruth Hamilton. "I believe that Ruth Hamilton is very much the successor to Catherine Cookson. Her books are plot driven, they just rip along: laughs, weeps, love, they've got the lot, and they're quality writing as well" SARAH BROADHURST, RADIO FOUR "Probably the most moving story I have ever read" -- **** Reader review "A fantastic read" -- ***** Reader review "Wonderful author" -- ***** Reader review "Loved it" -- ***** Reader review ***** SHE'S VOWED TO TAKE REVENGE, NO MATTER WHAT THE COST... When Bernard Walsh moves his family from Bolton to Liverpool he does not expect the past to pursue him. But Theresa Nolan, consumptive and angry, is bent on revenge and settles within three miles of Bernard's new home, wreaking havoc from the Mersey to the moorlands of Lancashire. Meanwhile, against a backdrop of dissent and violence, two young girls, separated by fate but bound by blood, begin to wend their often troubled way towards the tranquility and comradeship of the Corner House. What does the future hold in store?

Sometimes the past really does come back to haunt you... Whispers is a thrilling saga of love, intrigue and history from ebook No.1 bestselling author of No One's Girl, Mothering Sunday and The Little Angel, Rosie Goodwin. Perfect for fans of Lindsey Hutchinson and Dilly Court. The old manor house has stood empty for years, left to rot since the last master of the Fenton family died. Until Jess Beddows steps inside, and feels she has come home. Against her family's wishes, she buys the house, promising to bring it back to life. Upstairs, in an attic room left untouched for a century or more, she finds a journal. It holds the heartbreaking tale of Martha, and of the cruel, entangled lives of the house's servants and masters nearly two hundred years before. As Jess is drawn into their tragedy, the whispers begin. Before long, everything she loves will be threatened by violent emotion and long-kept secrets. Can she survive the echoes from the past? What readers are saying about Whispers: "This was the best book I have read for a very long time! A really fascinating story and I just didn't want to put it down, nor did I want it to end! Well done Rosie "What a fantastic book. A real heart throbbber. I was an emotional wreck at the end of this book, it's a really touching novel. Rosie Goodwin is a very talented lady... A brilliant book from a truly gifted writer!"

After recently graduating from college, Pamela Graham, heir to the Graham publishing empire, sets off to fulfill a humanitarian goal of volunteering at a Russian orphanage. When Pamela impulsively takes one of the children out of the country to avoid an otherwise grim future, she inadvertently sets in motion a series of dark events. While evading the Russian authorities by flying to Spain, she meets a biologist from Maryland who reveals a sinister American government conspiracy. This knowledge takes her on a time-sensitive race to survive long enough to expose the truth before the clock runs out for a vast number of unsuspecting victims. A gripping saga of covert government action, classism, and modern espionage, Hard Whispers runs at full speed with a spellbinding intensity that dances on the edge of reality.

First published in 1889, this volume contains Louisa May Alcott's short stories "A Modern Mephistopheles" and "A Whisper in the Dark". Although best known for her children's classics, Alcott also wrote many "blood and thunder" stories in her early years. Her favourite of these was "A Modern Mephistopheles", a story of human evil and its appalling consequences that centres around Felix Canaris, a failing writer whose suicide attempt is interrupted by a fateful knock at the door. These chilling tales of lust, deception, and greed are highly recommended for short story lovers and are not to be missed by fans of macabre literature. Louisa May Alcott (1832 – 1888) was an American short story writer, novelist, and poet most famous for writing the novel "Little Women", as well as its sequels "Little Men" and "Jo's Boys". She grew up in New England and became associated with numerous notable intellectuals of her time, including Nathaniel Hawthorne, Ralph Waldo Emerson, Henry Wadsworth Longfellow, and Henry David Thoreau. Other notable works by this author include: "An Old-Fashioned Girl" (1886), "Eight Cousins" (1869), and "A Long Fatal Love Chase" (1875). Many vintage books such as this are becoming increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with the original text and artwork.

It is 1914, and Christabel Montgomery is happily preparing for her wedding when she receives the shattering news that her fiancé has been drowned at sea. Heartbroken, she tries to piece her life together. But she soon discovers she is pregnant, and fearing her parents would throw her out if they knew, she decides to help the war effort by leaving home to become a nurse. However, she is soon forced to give up her duties. And alone and desperate, she has little choice but to have the baby adopted. Determined to put her sorrows behind her, Christabel hopes to build a better future for herself. But circumstances compel her to return home again. And here she finds her situation ever more difficult. She envies her brother's wife Violet who has just had a new baby. She is filled with remorse and regret about what she has done. She had no alternative, for her sake and the baby's, but she wonders if she'll ever be free from the fateful decision she made...

From the author of The Last Garden in England and The Light Over London comes a "gripping tale by a writer at the top of her game" (Fiona Davis, author of The Chelsea Girls) following three friends who struggle to remain loyal as one of them is threatened with internment by the British government at the start of World War II. In August of 1939, as Britain watches the headlines in fear of another devastating war with Germany, three childhood companions must choose between friendship and country. Ersthwhile socialite Nora is determined to find her place in the Home Office's Air Raid Precautions Department, matchmaker Hazel tries to mask two closely guarded secrets with irrepressible optimism, and German expat Marie worries that she and her family might face imprisonment in an internment camp if war is declared. When Germany invades Poland and tensions on the home front rise, Marie is labeled an enemy alien, and the three friends find themselves fighting together to keep her free at any cost. Featuring Julia Kelly's signature "intricate, tender, and convincing" (Publishers Weekly) prose, The Whispers of War is a moving and unforgettable tale of the power of friendship and womanhood in the midst of conflict.
