Now, with the help of a Saxon warrior whose love poses dangers of its own, Maeniel's soul mate, Regeane, will brave the icy crags and crevices of the Alps to rescue her husband, only to find that he is the bait in a trap set for her by a villainous man from her darkest past. But there is another enemy at work. Behind the tangle of ambitions and animosities driving kings and commoners alike, an ancient evil thirsts for a revenge of its own: a revenge that demands the blood of Maeniel and Regeane...and of all humanity. transported to a fantasy world. A wish come true for many a geek, if only he hadn't died less than a day after he arrived. Now trapped in this fantasy realms version of purgatory, he faces the prospect of trying to navigate a new existence as a dungeon. That wouldn't be so bad, except ending dungeons seems to be the path out for many of the other denizens of these Proving Grounds. To make matters worse the deities of this place have taken a special interest in complicating his stay, for their own, as yet unstated reasons. On the upside he has a new buff and studly avatar and any sexy fantasy ladies who happen to fall in his dungeon are his to keep, to strengthen his dungeon obviously. Nudge, nudge, wink wink. Downside, most of the raiders in his region are bearded dudes or ugly and orc like. What's a guy whose life experiences include gaming and working a series of crummy customer service jobs to

do. Answer. Work the system, be as obnoxiously obstinate as he can be and bend every rule like it's made of rubber. Maxim Thorn is a ruthless Alpha, a mobster king who rules his pack with an iron fist. He's also my only hope. As a shifter from the wrong side of the tracks who's just been rejected by my abusive fated mate, I don't have a lot of options in this city. I have no choice but to make a deal with the devil. But that doesn't mean I'm powerless. I have an ace up my sleeve, a bargaining chip Maxim

can't resist. He wants revenge on my pack leaders for poisoning his father, and I hold the key to his enemy's destruction. In exchange for one month of protection from my ex and his friends, I promise to give Maxim what he wants-me. I expect honoring the bargain to be pure hell. I don't expect to ignite every time we touch or to develop a soft spot for this wounded wolf. His blood calls to mine, and I'm starting to think this wicked king may have a heart after all. But is there room in his world for love? Or am I destined to become a pawn in his dark game?

A young bronze-age boy sets out to kill the Wolf King, a mysterious figure who controls a wolf pack that has been raiding the local villages.

Maxim proved he would give his life to defend mine. I proved I would kill to keep him by my side. But is the bloody devotion of a united king and queen enough to win this war? My fated mate and I are finally fighting on the same side, but our enemies have burrowed deeper into our pack than we ever imagined possible. Before we face my mad sister and her army, we'll first have to free the minds of our own people. Meanwhile, Maxim's sister is still in enemy hands and black magic rises with the full moon. Can we save the people we love and heal the shifter world before it's too late? Or will we lose everything we hold dear—our hope, our freedom, and maybe even...each other.

The adventure continues - Brenner is not a werewolf... He is the result of a secret US Army experiment. The creation of a

government controlled Super Soldier. And no one asked if he wanted to take part. So, he escaped. And for the last fifty years has been living in the backroads and the small unknown towns of America. Never aging. Searching for a cure. At the same time avoiding the dark ops experts who are looking for him. But just because he can become a seven foot, four hundred pound killing machine, it doesn't mean that Brenner is bad. In fact, he sticks to a strict code. And like the High Plains drifters of old, anyone who crosses the Wolfman's code is sure to suffer. They took his humanity ... and now it's time for payback. Author's note ... "I was looking to create a character that brought to mind the high plains drifters of old. A western hero that rode into town on a dark horse, delivered justice and retribution in equal measure and then rode off into the sunset. A modern-day gunslinger with a dark secret. I hope

that I did the premise justice." Praise for Craig Zerf ... "This is an exciting story written by a master...can't wait to read more by this author! What if this story really happened! Wow." "This book is sheer Perfection! It has everything. Brenner's story makes you sad then happy, scared and anxious then shouting and cheering. One moment you are crying and the next you can't stop laughing. Craig Zerf is definitely now on my list of favorite authors. Do yourself a favor and buy this book!" "Violent and exciting. The characters make no excuses, they are monsters and violence is their trade. Despite this the main character is likeable and interesting. This book is a fast, fun read, and I am looking forward to more from the author." "Mr. Zerf, I must compliment you on each and every one of the stories in this series! Words like exceptional, outstanding, gripping, unrelenting, engaging and yes enthralling simply are NOT
